

EDUCATION: K-12

NEW JERSEY SCHOOL CONSTRUCTION

New Jersey

In 1998, the New Jersey Educational Facilities Construction and Financing Act charged the New Jersey Schools Development Authority with implementing an \$8.6-billion educational initiative to revitalize communities statewide. Langan supported many public school projects that dramatically improved the quality of education in disadvantaged urban areas throughout the state.

Roberto Clemente School, Newark, NJ

Daniel F. Ryan School, Passaic, NJ

Science Park High School, Newark, NJ

NEW YORK CITY SCHOOL CONSTRUCTION

New York

Langan has provided the New York City School Construction Authority with professional services on over 100 projects for new schools, building additions, and modular building projects throughout the five boroughs of New York City.
