

W. Kyle Bogardus, P.E., CPESC

Senior Associate/VP
Site/Civil Design, Project Management

16 years in the industry ~ 13 years with Langan

Mr. Bogardus has more than sixteen years of experience in multi-disciplined consulting services throughout the United States. Mr. Bogardus is Senior Associate/Vice President and leads our Houston office which includes Site/Civil, Geotechnical and Environmental engineers. Mr. Bogardus has been Project Manager on a wide variety of projects that include large scale site development projects. He has significant experience working on complex projects, particularly those that require significant phasing and construction sequencing.

In addition to his professional career, Mr. Bogardus is also a Major in the Army Reserves and has completed multiple overseas deployments in support of both Operation Iraqi Freedom and Operation Enduring Freedom. He is a recipient of the Army Engineer Association Bronze de Fleury Medal. He has extensive experience with Army Corps of Engineers vertical and horizontal construction projects. He has held positions of platoon leader, company commander and operations officer for Engineer companies and Battalions.
