

WILLIAM P. BORON, RLA, ASLA

SENIOR ASSOCIATE

SITE/CIVIL ENGINEERING & LANDSCAPE ARCHITECTURE

Project Goliath, Fulfillment Center,
North Randall, OH

Cleveland Clinic, Lakewood Family Health Center,
Lakewood, OH

Mr. Boron has more than 30 years of experience in land development consulting and project management. He has vast experience managing daily office operations, client relationships, and in directing multiple survey and engineering teams. His professional service experience focuses on institutional, commercial, retail, residential and mixed-use developments as well as park and recreation facilities. Specifically, his daily operations management experience includes office/staff workload management, project budgeting and invoicing, and proposal writing. Having served on municipal boards for 15 years, Mr. Boron fully understands the aggressive timelines and objectives set forth by both public and private-sector development clients.

Mr. Boron is also an award-winning registered landscape architect which enables him to better serve his clients especially when working with municipal staffs, design review agencies, corporations, and architectural firms. His proactive communication with the design team, municipalities, regulatory agencies, and external consultants such as architects, attorneys, and lenders provides fast tracking approvals that positively impact every phase of a development.
