

Shaun F. Higgins, PLS

Senior Associate

Surveying, 3D Laser Scanning

26 years in the industry

Mr. Higgins has over 26 years of experience in all aspects of land surveying. He is well-versed with all types of modern surveying field equipment and various software systems for computer aided drafting. The majority of Shaun's experience has come as a survey project manager, in charge of field and office personnel involved with gathering and manipulating existing conditions information for residential, retail, institutional and commercial properties and preparing and managing construction layout projects for various types of development. Shaun also has extensive experience with 3D laser scanning and modeling services.
