

## Timothy Onderko, P.E., LEED-AP, CPSWQ

Senior Associate / Vice President

Site/Civil Engineer; Construction Inspection

### 15 years in the industry ~ 15 years with Langan

Mr. Onderko has fifteen years of experience with Langan. Mr. Onderko has worked on a variety of land development projects in Connecticut and New York. These projects have involved site feasibility studies, site layout, grading and drainage design, stormwater management analysis and design, utility design, regulatory permitting, development of technical specifications for construction documents, construction inspection, project management and coordination. He possesses extensive knowledge concerning the American's with Disabilities Act (ADA), its design requirements, and the implementation of the requirements into all aspects of site design. He is experienced in the use of computer applications including AutoCAD, Hydraflow Hydrographs, and Hydraflow Storm Sewers.
