

## Leonardo Rodriguez, PE

**Senior Associate/Vice President  
Project Management, Site Engineering / Land  
Development, Hydraulics & Hydrology**

### 28 years in the industry ~ 9 years with Langan

Mr. Rodriguez has more than 28 years of civil engineering experience. He has been the primary point of contact for public and private sector clients for projects ranging from municipal utility improvements and roadway resurfacing and reconstruction as well as county, local, and areawide drainage improvements. Mr. Rodriguez has spearheaded the Environmental Resource Permit (ERP) and Corp of Engineer Dredge and Fill permitting efforts on numerous projects. He is intimately familiar with the Miami-Dade Water and Sewer Department (MDWASD) standards and specifications as well as with the permit process through the Miami-Dade County Department of Planning, Environmental and Regulatory Affairs (PERA), the City of Coral Gables Public Works Department, the South Florida Water Management District, the Florida Department of Environmental Protection, and U.S. Army Corp of Engineers.
