

AnnMarie Vigilante, PE

**Senior Associate/VP
Highway and Traffic Engineering**

20 years in the industry ~ 13 years with Langan

Ms. Vigilante has extensive traffic engineering, parking, highway/roadway design, ADA and transportation planning experience. She has worked on projects involving major roadways throughout the north east, created traffic plans for major stadium, retail, residential, industrial and corporate developments, and has provided due diligence, wayfinding and ADA plans for various developments.

In her role as Senior Associate, Ms. Vigilante is responsible for the QA/QC on all projects prepared by the traffic engineering staff. She has a working knowledge of the Pennsylvania Highway Occupancy Permitting processes, New Jersey Highway Access Code, New York Major Permit Review process and Delaware Entrance Permitting process.
