

LANGAN

ENVIRONMENTAL, SOCIAL, & GOVERNANCE MERGERS & ACQUISITIONS CONSULTING SERVICES

Langan's Environmental, Social, and Governance (ESG) M&A Consulting Team brings extensive experience partnering with financial, legal, and industrial clients around the world. We provide strategic support in evaluating ESG performance for investments, mergers, acquisitions, and divestitures. Langan believes that client responsiveness is critical to keeping transactions progressing through the deal cycle, and offers experienced deal teams that understand deal context and the confidentiality requirements of our clients.
