RFO-596 Geographic Information Systems (GIS) & Digital Land Surveying Services

CATEGORY NAME	SERVICE NAME	Unit of Measure	Discount % off MSRP/List Price	DIR Customer Price Per Unit
Services				
GIS Services: Geospatial Analysis & Spatial Data Science	Aerial imagery Interpretation	Production hour	10.00%	\$175.50
GIS Services: Geospatial Analysis & Spatial Data Science	Change detection and monitoring	Production hour	10.00%	\$175.50
GIS Services: Geospatial Analysis & Spatial Data Science	Geostatistics	Production hour	10.00%	\$175.50
GIS Services: Geospatial Analysis & Spatial Data Science	GIS database management	Production hour	10.00%	\$184.50
GIS Services: Geospatial Analysis & Spatial Data Science	Photogrammetry	Production hour	10.00%	\$175.50
GIS Services: Geospatial Analysis & Spatial Data Science	Real-time natural disaster monitoring	Production hour	10.00%	\$175.50
GIS Services: Geospatial Analysis & Spatial Data Science	Real-time visualization & analytics	Production hour	10.00%	\$175.50

CATEGORY NAME	SERVICE NAME	Unit of Measure	Discount % off	DIR Customer Price
			MSRP/List Price	Per Unit
GIS Services: Geospatial Analysis & Spatial Data Science	Topographic surveying	Production hour	10.00%	\$175.50
GIS Services: Geospatial Analysis & Spatial Data Science	Coordinate system transformation	Production hour	10.00%	\$175.50
GIS Services: Planning, Development, & Deployment	Artificial Intelligence and Machine Learning (AI/ML) application development	Production hour	10.00%	\$202.50
GIS Services: Planning, Development, & Deployment	Collaboration, community, and stakeholder engagement	Production hour	10.00%	\$175.50
GIS Services: Planning, Development, & Deployment	Data needs and optimization assessment	Production hour	10.00%	\$184.50
GIS Services: Planning, Development, & Deployment	Development of web-based interfaces	Production hour	10.00%	\$202.50
GIS Services: Planning, Development, & Deployment	GIS application development	Production hour	10.00%	\$202.50
GIS Services: Planning, Development, & Deployment	GIS assessment, health check	Production hour	10.00%	\$220.50
GIS Services: Planning, Development, & Deployment	GIS training, education, and knowledge base transfer	Production hour	10.00%	\$175.50
GIS Services: Planning, Development, & Deployment	Training, education and knowledge base transfer	Production hour	10.00%	\$175.50
GIS Services: Planning, Development, & Deployment	Web base application development	Production hour	10.00%	\$184.50
GIS Services: Planning, Development, & Deployment	3D urban city modeling	Production hour	10.00%	\$202.50
GIS Services: Planning, Development, & Deployment	Customized GIS applications	Production hour	10.00%	\$202.50

CATEGORY NAME	SERVICE NAME	Unit of Measure	Discount % off	DIR Customer Price
			MSRP/List Price	Per Unit
GIS Services: Planning, Development, & Deployment	Data management and governance	Production hour	10.00%	\$202.50
GIS Services: Planning, Development, & Deployment	Data validation and quality assurance services	Production hour	10.00%	\$184.50
GIS Services: Planning, Development, & Deployment	Geodesign	Production hour	10.00%	\$202.50
GIS Services: Planning, Development, & Deployment	Geomatics	Production hour	10.00%	\$175.50
GIS Services: Data Collection, Conversion & Integration	Building Information Modeling (BIM) and Computer-aided Design (CAD) integration	Production hour	10.00%	\$175.50
GIS Services: Data Collection, Conversion & Integration	Customized Developer Frameworks for GIS Integration	Production hour	10.00%	\$202.50
GIS Services: Data Collection, Conversion & Integration	Data conversion - Vector and Raster	Production hour	10.00%	\$175.50
GIS Services: Data Collection, Conversion & Integration	Data conversion - Formatting	Production hour	10.00%	\$175.50
GIS Services: Data Collection, Conversion & Integration	Data conversion - ETL (Extract Transform Load)	Production hour	10.00%	\$175.50
GIS Services: Data Collection, Conversion & Integration	Data conversion - Data Model Conversion	Production hour	10.00%	\$175.50
GIS Services: Data Collection, Conversion & Integration	Data conversion - Coordinate System (Projections) transformation	Production hour	10.00%	\$175.50
GIS Services: Data Collection, Conversion & Integration	Data conversion - CAD and GIS	Production hour	10.00%	\$175.50
GIS Services: Data Collection, Conversion & Integration	Data creation (digitization)	Production hour	10.00%	\$175.50
GIS Services: Data Collection, Conversion & Integration	Data integration and enhancement - Orthophoto generation	Production hour	10.00%	\$175.50

CATEGORY NAME	SERVICE NAME	Unit of Measure	Discount % off	DIR Customer Price
			MSRP/List Price	Per Unit
GIS Services: Data Collection, Conversion & Integration	Data integration and enhancement - Integration with other datasets	Production hour	10.00%	\$175.50
GIS Services: Data Collection, Conversion & Integration	Data integration and enhancement - Data overlays	Production hour	10.00%	\$175.50
GIS Services: Data Collection, Conversion & Integration	Geocoding and reverse geocoding	Production hour	10.00%	\$175.50
GIS Services: Data Collection, Conversion & Integration	GIS with IoT network integration	Production hour	10.00%	\$184.50
GIS Services: Data Collection, Conversion & Integration	IT systems and GIS integration	Production hour	10.00%	\$202.50
GIS Services: Data Collection, Conversion & Integration	Lidar data - Unmanned Aircraft Systems (UAS)/Drones	Production hour	5.00%	\$185.25
GIS Services: Data Collection, Conversion & Integration	Lidar data - Manned aerial platforms	Production hour	5.00%	\$185.25
GIS Services: Data Collection, Conversion & Integration	Lidar data - Acquisition and Processing	Production hour	10.00%	\$175.50
GIS Services: Data Collection, Conversion & Integration	Multiple GIS platforms integration	Production hour	10.00%	\$175.50
GIS Services: Data Collection, Conversion & Integration	Data Management	Production hour	10.00%	\$175.50
GIS Services: Data Collection, Conversion & Integration	AI-assisted data conversion	Production hour	10.00%	\$184.50
GIS Services: Data Collection, Conversion & Integration	Data conversion	Production hour	10.00%	\$175.50
GIS Services: Data Collection, Conversion & Integration	Integration services	Production hour	10.00%	\$175.50
GIS Services: Data Collection, Conversion & Integration	IoT-GIS integration	Production hour	10.00%	\$184.50
